

## Minor in Addiction Studies 2021-2022

Student Name:

Student ID:

Student Major:

Student Academic Advisor:

Date:

Please note: the Minor in Addiction Studies is **not** a minor program in Social Work. It is intended to provide students in helping disciplines, including social work, nursing, occupational therapy, education and psychology, with practical coursework in the field of addiction studies to fill a present need in the community.

The 18 credit hours required for the minor correspond with the 270 classroom hours necessary for CADC certification in Kentucky (per the 201 KAR 35:050 "Curriculum of Study" regulation, 1 academic credit hour = 15 classroom hours). Students choosing Social Justice Perspectives on HIV and AIDS (SW 385) as an elective satisfy all current content requirements. Classroom training represents only a portion of the CADC requirements and completion of the minor in no way ensures licensure.

Students must complete the following four required courses (12 credit hours). SW 330 and SW 420 will be offered annually by the School of Social Work. SW 410 and SW 435 are offered in alternating years.

### Required Courses:

_____	SW 330	Right, Wrong and It Depends: Applied Ethics for Helping Professionals	3
_____	SW 410	Trauma and Addiction	3
_____	SW 420	Addictions in Society	3
_____	SW 435	Counseling and Addictions	3

Students must also complete 6 credit hours of elective courses related to the knowledge and skills necessary to perform alcohol and drug counselor competencies. At least three of the following elective courses will be offered annually by the School of Social Work. Students may also register to take addiction-related continuing education courses offered by the School of Social Work for academic (elective) credit.

_____	SW ____	Elective #1:	3
_____	SW ____	Elective #2:	3

### Options for elective courses include:

- SW 385 Social Justice Perspectives on HIV and AIDS (3 credit hours)
- SW 400/500\* Spirituality and Addiction (3 credit hours)
- SW 405 Psychopharmacology (3 credit hours)
- SW 421 Addiction, Screening, Assessment, and Treatment Planning (1 credit hour)
- SW 422 Motivational Interviewing for Addiction Treatment (1 credit hour)
- SW 423 Cognitive Behavioral Therapy for Addiction Treatment (1 credit hour)
- SW 424 Twelve-Step Facilitation and Mutual-Help Groups in Addiction Treatment (1 credit hour)
- SW 425 Case Management with Substance Abusers (1 credit hour)
- SW 426 Clinical Supervision of Substance Misuse Treatment (1 credit hour)
- SW 427 Crisis Intervention (1 credit hour)
- SW 428 Consultation and Record Keeping (1 credit hour)
- SW 430 Co-occurring Disorders (3 credit hours)

\*Indicates courses cross-listed to include both bachelors and masters level students.
