

SPALDING UNIVERSITY
KOSAIR FOR KIDS SCHOOL OF PHYSICAL THERAPY

POST-PROFESSIONAL DOCTOR OF PHYSICAL THERAPY (DPT)

Catalog Year: 2025-2026

Credit Hours: 30

The Post-Professional DPT program is for licensed physical therapists seeking to earn a doctor of physical therapy degree.

This post-professional DPT track requires 30 credit hours of coursework for completion, 20 credit hours of which must be completed at Spalding University. Students may request to transfer up to 10 credits of previous graduate-level physical therapy coursework or may complete all 30 credit hours of coursework at Spalding University. Transfer credit hours are approved by the DPT Program Director.
